Policy

The NRBDO does not support or endorse nor does it seek provincial or regional chapters.

However, any group of people including NRBDO Members can come forward and propose a working group at the provincial level that is in alignment with the Vision and Mission of the NRBDO.

The Board of Directors can choose to officially recognize this group as an Affiliate. The Board of Directors can also choose to allow the use of the NRBDO logo and/or name in conjunction with this group.

The Affiliate group will receive no funding from the NRBDO, and Affiliates are required to make the distinction between themselves and the NRBDO when requesting funding from NRBDO funders.

Any administrative assistance will be at the discretion of the Board of Directors.

The NRBDO assumes no governance, legal, or insurance responsibilities for the Affiliates and/or events hosted by Affiliates.
